

Stop the Silence. Help End the Violence.

REGISTRATION FORM

Thank you for your interest in Attorney General Bill Schuette's Cyber Safety Initiative and the student program, OK2SAY. The CSI program teaches students the importance of making safe and smart choices in a technologically evolving world. OK2SAY shows students how to protect themselves and others from potential harm or criminal activity.

Our coordinator will review your preferences and email you the confirmed week. We expect the district's designated contact will schedule presentations at the most advantageous venues. To help, we provide templates that include:

- a scheduling checklist for schools;
- parent notification & opt-out forms;
- presentation handouts; and
- an 8 1/2" x 11" community seminar flyer.

These materials are available at the Michigan CSI website — www.mi.gov/csi. If you have questions, please call the Attorney General's Consumer Programs Team at 877-765-8388.
